

PATIENT TRANSITION OF CARE SERVICES

Vivitrol[®]
(naltrexone for extended-release
injectable suspension)

OFFER PATIENTS TRANSITION OF CARE USING OUR PATIENT SUPPORT SERVICES

- Identify follow-on providers using the Provider Locator tool
- A Vivitrol2getherSM Coordinator* can provide refill appointment reminder calls and follow-up calls or text messages
- Please note that patients must ensure their phone number is on the enrollment form so they can receive calls and/or text messages

To learn more about Vivitrol2getherSM Transition of Care Services, speak to your representative or call **1-800-VIVITROL (1-800-848-4876)**.

Prior to Discharge

Enrollment: As part of the Vivitrol2getherSM enrollment process, complete the Patient Enrollment Form. Then fax it to Vivitrol2getherSM at 1-877-329-8484.

Inform Your Patient: A Vivitrol2getherSM Coordinator can call the facility or your patient about their transition of care and provide a list of potential healthcare providers from the Provider Locator tool.

Pick a Provider: Your patient can choose a provider for follow-on care and assessment.

After Discharge

Transition of Care Assistance: Vivitrol2getherSM Coordinator can work with the patient to confirm their transition of care.

Follow-up Contact: A Vivitrol2getherSM Coordinator can conduct monthly appointment reminder calls and/or texts and follow-ups.

*A Vivitrol2getherSM Coordinator does not provide medical advice or individual patient care. For medical questions, be sure to consult with your healthcare provider.

Checklist

Consider this checklist to help with the transition of care process with your patients.

- Sign up your patient as soon as possible prior to discharge.**
- Complete entire form:** Include all patient signatures and estimated discharge date.
- Provide alternate contacts:** Include contacts who are informed about VIVITROL and can support your patient after discharge.
- Double-check contact numbers:** Ensure your patient contact numbers are correct and current.
- Arrange pre-discharge call with the Vivitrol2getherSM Coordinator:** Introduce your patient to their Vivitrol2getherSM Coordinator prior to discharge.
- Remind your patient about insurance:** Inform your patient that they will need to have insurance information handy for their follow-on provider.
- Give your patient support materials:** Go over discharge form and patient brochure.
- Provide a Vivitrol2getherSM Coordinator card and encourage your patient to call their Coordinator at 1-800-VIVITROL (1-800-848-4876) for transition of care support services.**

*A Vivitrol2getherSM Coordinator does not provide medical advice or individual patient care.
